## A GOAT FOR FRANCIA

*This is our friend Francia with her family. She's 11 years old.*

*She lives in the Dominican Republic.*

*But, she used to live in Haiti.*

*Haiti had a big earthquake, so Francia and her family moved to Dominican Republic.*

*When she came to the DR she met Pastor Santos, and he told her about Jesus. Francia brought her whole family to church! Now they are all serving Jesus.*

*With the help of Boys & Girls Missionary Challenge, BGMC, we were able to purchase 15 goats for Francia and other needy families in Pastor Santos Church. BGMC is the AG missions program for kids in the US that instills a heart of compassion to reach the lost through praying, giving, and going. All funds raised through*

*BGMC go to meet critical needs around the world such as feeding programs, water wells, Bible schools, curriculum, (even goats!) and whatever else a missionary needs in their part of the world.*

*Thank you BGMC for helping us share the love of Jesus to kids with kids!*

*(goats...that is!)*

### TIME TO RETURN.

During this past term we have seen God provide, work miracles and open doors of opportunity beyond what we ever imagined. We are preparing for our to return to the United States for itineration ministry. During itineration, we will be traveling and reconnecting with our supporting churches, and also linking with new partnerships. It is a time to share the victories and testimonies of our work here in the Dominican Republic. God has also given us a vision to help ignite a passion for missions in our churches. It is our prayer that the Lord to call people to give their lives to mission fields across the globe, to burden children, youth and adults with a passion to pray for the nations, and to provide for an even greater generosity to extend the Kingdom of God throughout this world.

From **January 19, 2014 - August 2014** we will be scheduling services. We would love to hear from you, if you are interested in connecting with us during this time. Contact us!

## NELSON AND RENNAE DE FREITAS

Since 1993, the de Freitas family (Nelson, Rennae, Troy (21), Alexander (17), Nicolas (13), and Marcus (11)) has served in the Dominican Republic. Their ministry has included work with the National Sunday School Department, church construction, compassion ministries, Bible School, missions, as well as teaching and preaching. However, their main passion and focus is reaching youth and children. They founded Dominican Republic King's Castle Ministries which is committed to forming disciples with a missionary vision to reach children and youth to the Lord. CIMA del Rey, the Caribbean Institute for Missions Advancement was established after purchasing property in the mountains for a training center. In keeping with the missionary focus, Quisqueya Master's Commission was started in order to train Dominicans for missionary service and also an Engage Dominican Republic site has been opened for American youth to do life and ministry with our Dominican students while studying online. Rennae ministers to women and children who have been victimized by human trafficking and prostitution in the Dominican Republic.
